Correction to: *Nature Communications* <https://doi.org/10.1038/s41467-019-09601-3>, published online 8 April 2019.

The original version of this Article contained an error in Fig. 6b, in which the 48 h p-IkB $\alpha$  and NF-kB p65 panels looked identical. This has been corrected in both the PDF and HTML versions of the Article.

A correction to the supplementary information file has been made where the correct blots have replaced the incorrect bolts for Supplementary Fig. 13 for the 48 hour p-IkB $\alpha$  panel. These changes have been noted in the figure legend.
