Author Correction: Sulcal organization in the medial frontal cortex provides insights into primate brain evolution

Céline Amiez , Jérôme Sallet , William D. Hopkins, Adrien Meguerditchian , Fadila Hadj-Bouziane , Suliann Ben Hamed , Charles R. E. Wilson , Emmanuel Procyk  & Michael Petrides

Correction to: *Nature Communications* <https://doi.org/10.1038/s41467-019-11347-x>, published online 31 July 2019.

The original version of this Article contained an error in the Acknowledgements section. The grant number provided in the text “C.A. received funding from the French National Research Agency (ANR-18-CE32-0012-01)”, was incorrect. This text has now been corrected to “C.A. received funding from the French National Research Agency (ANR-18-CE37-0012-01)”, in both the both the PDF and HTML versions of the Article.
