Correction to: *Nature Communications* <https://doi.org/10.1038/s41467-020-17174-9>, published online 10 July 2020.

The original version of the Supplementary Information associated with this Article contained an error in Supplementary Figs. 5a and 6 in which the longitudinal resistivity data of the $I//(001)$ sample was incorrectly given as the resistance data. In the correct version of Supplementary Figs. 5a and 6, the resistance data has been converted to resistivity by multiplying a geometric factor of 0.667. The HTML has been updated to include a corrected version of the Supplementary Information.
