Publisher Correction: Mnemonic prediction errors bias hippocampal states

Oded Bein , Katherine Duncan & Lila Davachi

Correction to: *Nature Communications* <https://doi.org/10.1038/s41467-020-17287-1>, published online 10 July 2020.

The original version of this Article contained an error in Fig. 2 panels b and c, where the asterisks representing significance were inadvertently shifted slightly to the left. The significance asterisks should have directly aligned only with the bars labelled “2” on the *x*-axes. This has been corrected in both the PDF and HTML versions of the Article.
