Correction to: *Nature Communications* <https://doi.org/10.1038/s41467-020-19911-6>, published online 2 December 2020.

The original version of this Article contained an error in the title, which was previously incorrectly given as ‘Disposable silicon-based all-in-one micro-qPCR for apid on-site detection of pathogens’. The correct version states ‘rapid’ in place of ‘apid’.

This has been corrected in both the PDF and HTML versions of the Article.
