Correction to: *Nature Communications* <https://doi.org/10.1038/s41467-021-24788-0>, published online 22 July 2021.

The original version of this Article contained an error in the Acknowledgments, which omitted the grant numbers relating to the Swiss National Science Foundation and the European Research Council given for P.L.H. The original version read ‘This work was funded with grants from Swiss National Science Foundation, European Research Council, and Fondation Aclon to P.L.H’. The correct version replaces this sentence with ‘This work was funded with grants from the Swiss National Science Foundation (#310030_192496), the Fondation Aclon and the European Research Council (“Merlin”, #884449) to P.L.H’. This has been corrected in both the PDF and HTML versions of the Article.
