Correction to: *Nature Communications* <https://doi.org/10.1038/s41467-022-28674-1>, published online 25 February 2022.

The original version of this article contained errors in the Methods section, where the incorrect suppliers for two antibodies were listed. The sentence ‘HRP-conjugated goat anti-human Fc antibody (Novus)’ should read ‘HRP-conjugated goat anti-human Fc antibody (Bethyl Laboratories)’, and the sentence ‘HRP-conjugated goat anti-mouse Fc antibody (Novus)’ should read ‘HRP-conjugated goat anti-mouse Fc antibody (GE Healthcare)’. These errors have now been corrected in both the PDF and HTML versions of the Article.
