Correction to: *Nature Communications* <https://doi.org/10.1038/s41467-022-29164-0>, published online 28 March 2022.

The original version of this Article contained an error in the title, which was previously incorrectly given as ‘Single-cell transcriptomic analysis suggests two molecularly subtypes of intrahepatic cholangiocarcinoma’. The correct version states ‘Molecularly Distinct Subtypes’ in place of ‘Molecularly Subtypes’. This has been corrected in both the PDF and HTML versions of the Article.
