In the original version of this Article, in the third paragraph of the Discussion the equation ' $T = \binom{s}{2} \cdot d \cdot s^{d-1}$ ' incorrectly presented the equation as ' $T = \binom{s}{2} \cdot d \cdot s^{d1}$ '. In addition, in the fifth paragraph of the Discussion, the term "mutation probability ' z_M '" was incorrectly presented as mutation probability ' z_M '. These have been corrected in both the HTML and PDF versions of the Article.
