The original version of this Article contained an error in Equation (3), where a minus sign was missing and incorrectly read:

$$H(X_t) = \sum_{i=1}^m p_i(x_t)(\log(p_i(x_t)))$$

The correct form of Equation (3) is:

$$H(X_t) = - \sum_{i=1}^m p_i(x_t)(\log(p_i(x_t)))$$

This has been corrected in the PDF and HTML versions of the Article.
