In the original version of the published article, the Acknowledgements section was missing a statement about the graduate program of one author: E.A. is a Graduate Scholar in the CPRIT Training Program (RP210028).

The correct Acknowledgements paragraph is:

We thank Drs. Nathan Ellis (Memorial Sloan-Kettering Cancer Center) and Stephen Ekker (Institute of Human Genetics of University of Minnesota) for BLM and related plasmids. S.L., E.A., and B.W. were partially supported by NIH grant (CA155025, CA248088). E.A. is a Graduate Scholar in the CPRIT Training Program (RP210028). Use of the Nikon A1 microscope was made possible via a NIH shared Instrumentation Grant (grant no. 1S100D024976-01 to the MDACC Department of Genetics).

This has now been corrected both in the HTML and the PDF versions of the article.
