The original version of this article contained an error in reference numbering in the Introduction and the Results and Discussion section, which incorrectly read ‘*An example of obscured cumulate sources is provided by TTGs from the Pilbara Craton²²*’; and ‘*Hydrous basaltic rocks are generally considered^{8,11,12,22,24}*’. The correct version states ‘23’ in place of ‘22’. This has been corrected in both the PDF and HTML versions of the Article.
