The original version of this Article omitted a reference to previous work in ‘Wei, X., Lu, Y., Lin, L.L. et al. Proteomic screens of SEL1L-HRD1 ER-associated degradation substrates reveal its role in glycosylphosphatidylinositol-anchored protein biogenesis. *Nat Commun* 15, 659 (2024). <https://doi.org/10.1038/s41467-024-44948-2>. This has been added as reference 85 in the first sentence of the Methods subsection ‘Mass spectrometry’: ‘The SEL1L-IP in HEK293T cells has been described previously<sup>85</sup>’. The reference number replaces the placeholder text ‘(please insert PMID:38253565)’ which was inadvertently included previously. This has been corrected in both the PDF and HTML versions of the Article.
