The original version of this article contained errors in Figures 6c, 7b, and in Supplementary Figs. 5d, 8d, 8f, which occurred during the assembly of the figures due to similarity of the name of different groups.

In Figure 6c, the '2h PVA-DOPA6@PLGA-PVA NPs' group was inadvertently duplicated from the '4h PVA-DOPA6@PLGA-PVA NPs' group. In Figure 7b, the liver of 'control' group was a shifted field view of the image in the 'PVA-DOPA4@PLGA-PDA NPs' group. In Supplementary Fig. 5d, the 'PLGA' group was inadvertently duplicated from the 'PLGA-PVA' group. In Supplementary Figs. 8d, 8f, the 'control' group was a shifted field view of the image in the 'PVA-DOPA4@PLGA-PDA NPs' and 'PVA-DOPA6@PLGA-PDA NPs' groups, respectively. This has been corrected in both the PDF and HTML versions of the article.
