Correction to: *Nature Plants* <https://doi.org/10.1038/s41477-020-00816-7>, published online 7 December 2020.

In the version of this Letter originally published, the surname of the author Morifumi Hasegawa was misspelt as ‘Hasegewa’. Also, the author Jie Luo should not have been affiliated with the National Key Laboratory of Crop Genetic Improvement and National Center of Plant Gene Research (Wuhan); they should only have been affiliated with the College of Tropical Crops at Hainan University. These errors have been corrected.
