Correction to: *Nature Plants* <https://www.nature.com/articles/s41477-019-0547-0>, published online 18 November 2019.

In the version of this Article originally published, in the label “H3K4me3-HiChIP loops” in Fig. 4a, ‘H3K4’ was incorrect; instead the label should have read “H3K27me3-HiChIP loops”. This has now been corrected.
