Correction to: *npj Materials Degradation* <https://doi.org/10.1038/s41529-020-00128-3>, published online 06 August 2020

The original version of this Article contained errors in Table 2. The correct version of the 3rd, 6th and 9th row of the 1st column states 'w/ NB' instead of the original, incorrect 'w/o NB' (on the left of the cells '896', '863' and '941', respectively). This has now been corrected in both the PDF and HTML versions of the Article.
