Publisher Correction: No hot and luminous progenitor for Tycho's supernova

T. E. Woods, P. Ghavamian, C. Badenes and M. Gilfanov

Correction to: *Nature Astronomy* <https://doi.org/10.1038/s41550-017-0263-5>; published online 25 September 2017.

In the version of this Article originally published the variable in equation (1) representing neutral hydrogen was incorrect and should have read H^0 . This has been corrected in all versions of the Article.
