

## Author Correction: Old news on quasar viscosity

Robert Antonucci

Correction to: *Nature Astronomy* <https://doi.org/10.1038/s41550-018-0521-1>, published online 3 July 2018.

In the version of this Correspondence originally published, the wrong paper was given for ref. 1; instead of ‘Shields, G. A. *Nature* **273**, 519–520 (1978)’ it should have been ‘Shields, G. A. *Nature* **272**, 706–708 (1978)’. This has now been corrected.
