Author Correction: Formation of intermediate-mass planets via magnetically controlled disk fragmentation

Hongping Deng , Lucio Mayer and Ravit Helled

Correction to: *Nature Astronomy* <https://doi.org/10.1038/s41550-020-01297-6>, published online 11 February 2021.

In the version of this Letter originally published, in the caption of Fig. 3 the mass within one sampling kernel was mistakenly given as ‘ $0.004M_J$ ’ instead of ‘ $0.0004M_J$ ’; all versions of the Letter have been amended.
