Correction to: *Nature Biomedical Engineering* <https://doi.org/10.1038/s41551-017-0144-3> (2017); published online 10 October 2017.

In the version of this Article originally published, in Fig. 1c–e, on the x axes, the lines labelled ' $A\beta_{42}$ ' and ' $A\beta_{42}(F19S;L34P)$ ' grouped the data incorrectly; the line labelled $A\beta_{42}$ should have grouped the data for Random 1–2 and Clones 1–10, and the line labelled $A\beta_{42}(F19S;L34P)$ should have only grouped the data for Random 1–2 on the right end of the plots and blots. These figures have now been corrected in all versions of the Article.
