

Author Correction: TBC1D23 is a bridging factor for endosomal vesicle capture by golgins at the *trans*-Golgi

John J. H. Shin, Alison K. Gillingham, Farida Begum, Jessica Chadwick and Sean Munro

Correction to: *Nature Cell Biology* <https://doi.org/10.1038/ncb3627>, published online 30 October 2017.

In the version of Supplementary Table 1 originally published with this Article, in the sheet relating to Fig. 3c, all values in the 'golgin-97-mito' column were 1.3 times larger than the actual values, which was due to author error when generating the Supplementary Table. These errors did not affect the graph in Fig. 3c, which was plotted with the correct values. Supplementary Table 1 has now been replaced so that it contains the correct values.
