In the version of the article originally published, in the Extended Data Fig. 2a legend, the Methods “*C. elegans* and bacteria strains” subsection, the Nature Portfolio Reporting Summary and Supplementary Table 1, a *C. elegans* strain was inadvertently referred to as WBM1369 (*lpin-1(sta10[lpin-1::GFP])*). The correct name is ABR339 (*lpin-1(wbm76[lpin-1::GFP])*). We sincerely apologize for this error. This has been corrected in the HTML and PDF versions of the article.
