Correction to: *Nature Chemistry* <https://doi.org/10.1038/s41557-018-0007-x>, published online 19 March 2018.

In the version of this Article originally published, in Fig. 1f there was an erroneous 'Gly-Gly' label placed above the foldamer-peptide structure. Furthermore, in Fig. 2a, the expected target structures from substrates **9** and **10** were inadvertently swapped. These errors have been corrected in the online versions.
