In the version of this Article originally published, in Fig. 4 the *x*-axis label was incorrect as ‘Time (ps)’; it should have been ‘*Q* (Å⁻¹)’. In addition, in the Fig. 4 key the labels for the green circle and red cross were mistakenly swapped; they should have been ‘Solute–solvent dielectric’ and ‘Solute–solvent mechanical’, respectively. These errors have now been corrected.

Correction to: *Nature Chemistry* <https://doi.org/10.1038/s41557-022-00893-5>, published online 17 February 2022.

In the version of this article initially published, a conversion process led to label alignment errors in Figs. 1a, 2b, 3d, 5b–d and 6b,c and in Tables 1 and 2. There were also errors in functional groups in the two structures of the difluoro analogues of rumenic ester in the top right of Fig. 2b; in the top structure, “MeO₂C” first appeared as “H₂CO₂Me”, and in the bottom structure, “CO₂Me” initially appeared as “MeO₂CH₂”. The errors have been corrected in the HTML and PDF versions of the article.
