

Author Correction: The carbon footprint of global tourism

Manfred Lenzen , Ya-Yen Sun, Futu Faturay , Yuan-Peng Ting, Arne Geschke  and Arunima Malik 

Correction to: *Nature Climate Change* <https://doi.org/10.1038/s41558-018-0141-x>, published online 7 May 2018.

In the version of this Article originally published, in the penultimate paragraph of the section “Gas species and supply chains”, in the sentence “In this assessment, the contribution of air travel emissions amounts to 20% (0.9 GtCO₂e) of tourism’s global carbon footprint...” the values should have read “12% (0.55 GtCO₂e)”; this error has now been corrected, and Supplementary Table 9 has been amended to clarify this change.
