

## Author Correction: Ageing society in developed countries challenges carbon mitigation

Heran Zheng , Yin Long, Richard Wood , Daniel Moran , Zengkai Zhang , Jing Meng , Kuishuang Feng , Edgar Hertwich  and Dabo Guan 

Correction to: *Nature Climate Change* <https://doi.org/10.1038/s41558-022-01302-y>, published online 9 March 2022.

In the version of this article initially published, Zengkai Zhang's first name was misspelled as Zhengkai. Also, in Eqs. (7)–(12), there was an additional “ln” and in Eq. (18), an additional “log”; these have been removed. The changes have been made to the HTML and PDF versions of the article.

## Author Correction: Climate and land-use changes reduce the benefits of terrestrial protected areas

Ernest F. Asamoah , Linda J. Beaumont and Joseph M. Maina 

Correction to: *Nature Climate Change* <https://doi.org/10.1038/s41558-021-01223-2>, published online 25 November 2021.

In the version of this article originally published, there was a mistake in the Fig. 5 caption. Average relative (%) contributions of climate velocity should be 38% and not 34% as first reported. Human change contributed 43%, compared with 38% and 19% from climate and regrowth, respectively. The caption has been corrected in the HTML and PDF versions of the article.
