

Erratum: Evolution alters the consequences of invasions in experimental communities

Cara A. Faillace and Peter J. Morin

Nature Ecology & Evolution **1**, 0013 (2016); published 21 November 2016; corrected 6 March 2017.

In the version of this Article originally published there was a slight omission in Fig. 3. The box plot for the -I/+R treatment of *P. bursaria* should have been labelled b to indicate its significant difference from the other treatments. This has been corrected in all versions of the Article.
