

Publisher Correction: 100 articles every ecologist should read

Franck Courchamp and Corey J. A. Bradshaw

Correction to: *Nature Ecology & Evolution* <https://doi.org/10.1038/s41559-017-0370-9> (2017); published online 13 November 2017.

This Article originally suggested that readers may be able to source PDF files of the papers analysed via a website that is involved in litigation over breach of copyright. This suggestion and the related URL have now been removed.
