Correction to: *Nature Ecology & Evolution* <https://doi.org/10.1038/s41559-019-0851-0> (2019); published online 8 April 2019.

In the HTML version of this Article originally published, the numerical values for effect size given on the right-hand side of Fig. 5 were missing minus signs for the top 11 species (*Hemigrapsus sanguineus* to *Codium fragile*). The left side of the effect size axis label was also missing the minus signs. These errors have now been corrected. The PDF was unaffected.
