

## Publisher Correction: Antagonistic pleiotropy conceals molecular adaptations in changing environments

Piaopiao Chen and Jianzhi Zhang 

Correction to: *Nature Ecology & Evolution* <https://doi.org/10.1038/s41559-020-1107-8>, published online 10 February 2020.

In the version of this Article originally published, the first sentence of the abstract was incorrect and should have been as follows: “The importance of positive selection in molecular evolution is debated”. This has now been corrected.
