

Author Correction: Historical contingency shapes adaptive radiation in Antarctic fishes

Jacob M. Daane , Alex Dornburg, Patrick Smits, Daniel J. MacGuigan, M. Brent Hawkins , Thomas J. Near, H. William Detrich III  and Matthew P. Harris 

Correction to: *Nature Ecology & Evolution* <https://doi.org/10.1038/s41559-019-0914-2>, published online 10 June 2019.

In the version of this Article originally published, one of the funding sources, the National Institutes of Health, was mistakenly omitted from the Acknowledgements. The original sentence “This work was supported in part by American Heart Association Postdoctoral Fellowship (No. 17POST33660801) to J.M.D., the John Simon Guggenheim Fellowship...” should have read as follows: “This work was supported in part by American Heart Association Postdoctoral Fellowship (No. 17POST33660801) to J.M.D., the National Institutes of Health (NIH) (No. U01DE024434), the John Simon Guggenheim Fellowship...” This has now been amended.
