

Publisher Correction: Global plant-symbiont organization and emergence of biogeochemical cycles resolved by evolution-based trait modelling

Mingzhen Lu  and Lars O. Hedin

Correction to: *Nature Ecology & Evolution* <https://doi.org/10.1038/s41559-018-0759-0>, published online 21 January 2019.

In the original PDF version of this Article, in Box 1 there were superfluous closing and opening parentheses in equation (1b), before and after the F_N term; the equation should have been as shown below.

$$g_i = \omega_i(1 - \alpha) \left(\frac{S_i A_i}{A_i + c_i^S} + \frac{M_i O_i}{O_i + c_i^M} + F_N + \frac{v_i(X) A_i}{A_i + c_i^v} \right) \quad (1b)$$

This has now been corrected; the HTML version was unaffected.
