Correction to: *Nature Ecology & Evolution* <https://doi.org/10.1038/s41559-021-01454-8>, published online 17 May 2021.

In the version of this Perspective originally published, the numbering of references 53 and 55–98 was incorrect in the reference list. Reference 98 should have been 53, reference 53 should have been 55 and references 55–97 should have been 56–98, respectively. Additionally, in the final column of Table 1, the citation of reference 48 should have been a citation of reference 46. These errors have now been corrected.
