Correction to: *Nature Ecology & Evolution* <https://doi.org/10.1038/s41559-020-1215-5>, published online 8 June 2020.

In Supplementary Table 6 of this Article originally published, some of the entries in the ‘species’ column were mistakenly attributed to entries in the ‘individuals’ column, and some species were missing and incorrectly represented by other species. These errors have now been corrected and the updated Supplementary Tables file containing the corrected Supplementary Table 6 is available online.
