Correction to: *Nature Energy* <https://doi.org/10.1038/s41560-020-0575-z>, published online 9 March 2020.

In the version of this Article originally published, in the sentence beginning “Furthermore, the Li transference number...”, “($t_{\text{Li}^+} \approx 0.5$)” was incorrectly written as “($t_{\text{Li}^+} t_{\text{Li}^+} \approx 0.5$)”. In addition, the labels in Fig. 1a were missing. These errors have now been corrected.
