Publisher Correction: Large inequality in international and intranational energy footprints between income groups and across consumption categories

Yannick Oswald , Anne Owen and Julia K. Steinberger

Correction to: *Nature Energy* <https://doi.org/10.1038/s41560-020-0579-8>, published online 16 March 2020.

In the version of this Article originally published, in the sentence beginning “Oxfam added² that...”, the value “2%” should have been “82%”. This has now been corrected. In addition, in the provided Source Data file for Fig. 2, the values in the ‘Gtap 9 ID’ column were incorrect; this file has now been replaced.
