Correction to: *Nature Geoscience* <https://doi.org/10.1038/s41561-021-00720-5>, published online 12 April 2021.

In the version of this Article originally published, it would not have been clear from the caption of Fig. 1 alone that the normalized concavity index is defined and calculated in ref. ⁷, thus the text “A similar diagram appears as Extended Data Fig. 1b of ref. ⁷.” has been added to the figure caption to clarify this. The online versions of the Article have been amended.
