

Publisher Correction: Social learning strategies for matters of taste

Pantelis P. Analytis , Daniel Barkoczi and Stefan M. Herzog

Correction to: *Nature Human Behaviour* <https://doi.org/10.1038/s41562-018-0343-2>, published online 28 May 2018.

The version of the Supplementary Information file that was originally published with this Article was not the latest version provided by the authors. In the captions of Supplementary Figs. 2 and 8, the median standard error values were reported to be 0.0028 in both cases; instead, in both instances, the values should have been 0.0015. These have now been updated and the Supplementary Information file replaced.
