Publisher Correction: Causal peer effects in police misconduct

Edika G. Quispe-Torreblanca and Neil Stewart

Correction to: *Nature Human Behaviour* <https://doi.org/10.1038/s41562-019-0612-8>, published online 27 May 2019.

In the version of this article initially published, the sentence beginning “The exclusion restriction required for identification implies...” was missing the letter H. It should have read, “The exclusion restriction required for identification implies that misconduct of the peers of H in $t-2$ and $t-3$ (that is, misconduct of I, J and K) should not affect the current behaviour of T except through their impact on H in $t-1$.” The error has been corrected in the HTML and PDF versions of the article.
