Publisher Correction: Idiosyncratic choice bias naturally emerges from intrinsic stochasticity in neuronal dynamics

Lior Lebovich , Ran Darshan, Yoni Lavi , David Hansel and Yonatan Loewenstein

Correction to: *Nature Human Behaviour* <https://doi.org/10.1038/s41562-019-0682-7>, published online 2 September 2019.

In the version of this article initially published online, reference #4 should have been to:

“Linares, D., Aguilar-Lleyda, D. & López-Moliner, J. Decoupling sensory from decisional choice biases in perceptual decision making. *eLife* 8, <https://doi.org/10.7554/eLife.43994> (2019).” Additionally, the y-axis label in Fig. 2d should have read “Expected p_{CW} ”.

The error has been corrected in the print, PDF and HTML versions of this article.
