Author Correction: Measuring the impact of COVID-19 vaccine misinformation on vaccination intent in the UK and USA

Sahil Loomba , Alexandre de Figueiredo , Simon J. Piatek, Kristen de Graaf and Heidi J. Larson

Correction to: *Nature Human Behaviour* <https://doi.org/10.1038/s41562-021-01056-1>, published online 5 February 2021.

In the version of this article initially published, the subscript for the gamma element in equation (7) should have been k rather than j ; i.e., it should have read γ_k^g . The error has been corrected in the PDF and HTML versions of this article.

Original:

$$Y(i) | (G(i) = g, W(i), X(i)) \\ \sim \text{OrderedLogistic} \left(\beta_W^g \sum_{j=1}^{W(i)-1} \delta_j^g + \sum_{j=1}^5 \sum_{k=1}^5 \beta_j^g X_{jk}(i) \gamma_j^g, (\alpha_1^g, \alpha_2^g, \alpha_3^g) \right)$$

Corrected:

$$Y(i) | (G(i) = g, W(i), X(i)) \\ \sim \text{OrderedLogistic} \left(\beta_W^g \sum_{j=1}^{W(i)-1} \delta_j^g + \sum_{j=1}^5 \sum_{k=1}^5 \beta_j^g X_{jk}(i) \gamma_k^g, (\alpha_1^g, \alpha_2^g, \alpha_3^g) \right)$$
