

Author Correction: Informative neural representations of unseen contents during higher-order processing in human brains and deep artificial networks

Ning Mei, Roberto Santana  and David Soto 

Correction to: *Nature Human Behaviour* <https://doi.org/10.1038/s41562-021-01274-7>, published online 3 February 2022.

In the version of this article initially published, the word “bilateral” was omitted in the second sentence of the final paragraph of the Methods. The sentence has now been amended to read “There were 12 bilateral ROIs for each hemisphere (Supplementary Fig. 18)” in the HTML and PDF versions of the article.
