Correction to: *Nature Materials* <https://doi.org/10.1038/s41563-021-01075-3>, published online 6 September 2021

In the version of this Letter initially published, there was an omission in Fig. 2. Specifically, in Fig. 2a, bottom left, the structure “5CB” originally showed a single phenyl ring. The structure has now been amended to show both phenyl rings.

These changes have been made to the print and online versions of the Letter.
