Correction to: *Nature Microbiology* <https://doi.org/10.1038/s41564-022-01091-2>, published online 25 April 2022.

In the version of this article initially published, a production error resulted in partially duplicated circles representing the various isolates in the phylogenetic analysis of Fig. 1c. The figure has been corrected in the HTML and PDF versions of the article.
