

Author Correction: Hybrid integrated quantum photonic circuits

Ali W. Elshaari , Wolfram Pernice , Kartik Srinivasan , Oliver Benson and Val Zwiller

Correction to: *Nature Photonics* <https://doi.org/10.1038/s41566-020-0609-x>, published online 13 April 2020.

In the version of this Review Article originally published online, references 6 and 15 were duplicates: “Somaschi, N. et al. Near-optimal single-photon sources in the solid state. *Nat. Photon.* **10**, 340–345 (2016).” Reference 15 has now been replaced with “Ding, X. et al. On-demand single photons with high extraction efficiency and near-unity indistinguishability from a resonantly driven quantum dot in a micropillar. *Phys. Rev. Lett.* **116**, 020401 (2016).” All versions of the Review Article have been amended.
