

Publisher Correction: Ever-evolving optical lattice clocks

Noriaki Horiuchi

Correction to: *Nature Photonics* <https://doi.org/10.1038/s41566-021-00935-3>, published online 20 December 2021.

In the print and PDF versions of this article initially published, there were composition errors in the fourth and final paragraphs. In the fourth paragraph, in two places, “ $J = 0$ ” replaces “ $\sqrt{J} = 0$ ”, while in the final paragraph, the first of two instances of “ $\sqrt{\tau}$ ” has been corrected to “ τ ”. The changes have been made to the PDF version of the article.

Publisher Correction: Subradiant directional memory in cooperative scattering

Z. Shen  and A. Dogariu 

Correction to: *Nature Photonics* <https://doi.org/10.1038/s41566-021-00926-4>, published online 10 January 2022.

In the version of article initially published, there were various composition errors in the Fig. 2 title and main text. The Fig. 2 title should have read “Initial conditions of coupled oscillators.” In the main text, first paragraph below Eq. (2), “alpha_n” should have read “ α_n ,” while in the first paragraph below Eq. (4), “lambda” should have read “ λ .” Further, in the last paragraph of Results, “ $E(k_{\text{obs}})$ ” should have appeared as “ $\langle E(k_{\text{obs}}) \rangle$.”

The errors have been corrected in the HTML and PDF versions of the article.
