

Publisher Correction: Universal elastic mechanism for stinger design

Kaare H. Jensen , Jan Knoblauch, Anneline H. Christensen, Katrine S. Haaning and Keunhwan Park 

Correction to: *Nature Physics* <https://doi.org/10.1038/s41567-020-0930-9>, published online 15 June 2020.

In the version of this Article originally published online, in Fig. 3 and its caption, the relation ' $F_c < F < F_f$ ' was incorrect; it should have been ' $F_f < F < F_c$ '. Also in Fig. 3, typographical errors led to missing minus signs from the superscripts on both axes; the vertical axis label was ' $F \times k_2 a^2 E^{1/3} (\mu p_0)^{4/3}$ ' but should have been ' $F \times k_2 a^{-2} E^{1/3} (\mu p_0)^{-4/3}$ ', the horizontal axis label was ' $d_0/L \times k_1 E^{1/3} (\mu p_0)^{1/3}$ ' but should have been ' $d_0/L \times k_1 E^{1/3} (\mu p_0)^{-1/3}$ '. All versions of the Article have been amended.
