In the version of this article initially published, there was a citation error in the sixth paragraph, now reading in part, “The calculation of the two-photon response was obtained following an approach as outlined in ref. 43,” where ref. 43 (Ramos, T. & García-Ripoll, J.J. *Phys. Rev. Lett.* **119**, 153601 (2017)) replaces the originally cited ref. 44 (Houck, M. et al. *Phys. Rev. Lett.* **124**, 16051 (2020)), which has been removed from the reference list. The change has been made to the HTML and PDF versions of the article.
