In the version of this article initially published, three funding sources were inadvertently omitted from the Acknowledgments section: the Zuckerman STEM Leadership Program, the ISF-NRF Singapore Joint Research Program (grant no. 3538/20) and the Israel Science Foundation (grant no. 2497/21). The error has been corrected in the HTML and PDF versions of the article.

In the version of this article initially published, there was an error in the last sentence of the “Sample geometry and thermometry” subsection of Methods, where in the text now reading “The calibration is extrapolated to other pressures assuming  $c \propto p_F^4$ ,” only “ $c$ ” appeared; the sentence has been amended in the HTML and PDF versions of the article.
